- Contribute to the development and implementation of strategies designed to meet organisational objectives.

Program Delivery

- Deliver a smoking cessation and support program appropriate to the officer's skill level to Indigenous people in clinic and outreach settings.
- Deliver the smoking and other Deadly Choices healthy lifestyle education modules to young Indigenous people in school, academy, bush camp and community settings.
- Deliver health promotion and education information and activities at school and community events.
- Participate in influencing smoke free households particularly in those where children reside.
- Assist the Senior Program Officer Tackling Indigenous Smoking to deliver tobacco control social marketing campaigns and events.
- Influence and engage with the Tackling Indigenous Smoking National Best Practice Unit to ensure effective smoking control outcomes for DDHS clients.

- Undertake training and attend workshops, etc, designed to increase the effectiveness of the delivery of DDHS's Tackling Indigenous Smoking program.
- Collect data both in Communicare and excel formats to inform the evaluation of the effectiveness of the Tackling Indigenous Smoking program and quit smoking behaviours.
- Role model no smoking behaviour.

Human Resource Management

- Participate in cross-cultural education as well as assist and participate in staff induction and orientation.
- Participate in work partnership agreements.
- Participate in relevant training and professional development activities to further enhance skills and knowledge required for the position.

Communication and Teamwork

- Maintain a positive work environment along with harmonious and cooperative relationships with fellow employees, management and clients.
- Ensure all interactions with clients and staff show appropriate responses to their needs and demonstrate the application of DDHS' code of conduct.
- Contribute to the efficient and effective functioning of the workplace in order to meet organisational objectives. This includes demonstrating appropriate and professional workplace behaviours and providing assistance to team members as required.
- Be responsible to maintaining your own professional work ethics and participate in staff meetings in a constructive manner.

Reporting

- Accurately report against the DDHS business and operational plan, and against external KPI's meeting deadlines.
- Report on service and audit data as required.
- Assist in the preparation of reports, briefings and related communications as required.

Safe Practice and Environment

- Conduct all activities in a manner consistent with DDHS' Work, Health and Safety policy and procedures.
- Proactively address WH&S hazards, incidents and injuries and adhere to infection control processes.
- Regularly monitor and review practices and the work environment to ensure a healthy and safe workplace in accordance with DDHS policies and procedures and legislative requirements.

Quality

- Actively participate in DDHS' Continuous Quality Improvement (CQI) processes to ensure improved quality and service delivery outcomes
- Implement and follow the DDHS incident and complaint investigation policies to ensure feedback drives service delivery improvements.

Information Management

- Comply with DDHS Privacy and Confidentiality of Health Information Policy.
- Ensure all documentation, records management and the information system database are maintained and completed in accordance with established standards, policies and protocols.

Organisational Responsibilities

- Adhere to all organisational policies, procedures, standards and practices e.g. Work Partnership Agreement; information and records management; confidentiality
- Act only in ways that advance DDHS objectives, values and reputation; and with honesty, integrity and good faith at all times
- Other duties as required, consistent with skills and experience, as directed by the Supervisor.
